PT-EB Noise Cancelling USB Bluetooth Speakerphone

The Speakerphones compact and portable size maximises mobility, meaning users can take the Speakerphone with them wherever they go making it the perfect solution for spontaneous conferencing and collaboration.

The Speakerphone is ideal for small or medium meeting rooms with up to 6 participants, however if the Daisy Chain option is used where two PT-EB Speakerphones are connected together via the 3.5mm Headset Jack, the meetings can be extended to up to 12 participants - Ideal for larger meetings.
