Product highlights

Plug & Play pack - 2 handsets

A convenient Plug & Play DECT-phone package including a base and 2 handsets.

Free intercom

No need to stop what you are doing and go to give the handset to your son when his friend calls: you can freely and easily call the handset in his bedroom and transfer the call.

Digital answering machine

With a digital answering machine, you'll never miss a call or message.

10-minute recording time

Interference free calls

Enjoy undisturbed, interference free calls

Speakerphone - Talk handsfree

Handsfree mode uses a built-in loud speaker to amplify the voice of the caller, allowing you to speak and listen during a call without holding the phone to your ear. This is especially useful if you want to share the call with others or take notes during a call.

Up to 300 m range

Move freely in and around the house within a range of maximum 50 meters indoor and up to 300 meters outdoor (in ideal open-air conditions).
