## PC 31-II

The PC 31-II lets you enjoy music, movies and games in superb stereo quality. The improved noise canceling microphone delivers your conversations over the net with clarity. And the double-sided lightweight headband is adjustable for comfortable wearing all day long.

### Benefits and Features:

- Superb sound – quality speakers deliver music, movies, games and internet calls in rich stereo sound
- Noise canceling clarity – the microphone filters out ambient noise, so your voice is always clear and easy to understand
- Fully flexible boom arm – adjust the microphone for optimal voice pick-up and comfort
- Light and comfortable – with the lightweight headband, it's easy to forget you are even wearing a headset
- Easy to use – the headset easily plugs into your laptop or desktop computer
- Peace of mind – thanks to the 2-year international warranty
