

PC145 Stylish PC tool for cool gamers

- ▶ The discreet and flexible neck band won't cramp your style and still delivers great sound performance
- ▶ With the unique **3D, 360-degree sound experience**, sound comes at you from all sides including above and below
- ▶ **USB adapter with integrated sound card** lets you take your own personal extreme surround sound with you wherever you play

The PC 145 USB gives you the flexibility of a USB-compatible headset and still fits under your lucky hat. Take it anywhere you go for ultimate sound and total convenience without changing the laid-back look you've worked so hard to achieve.

- ▶ Adjustable, bendable, pivotable, noise-canceling microphone improves the clarity of your communication, and gives you more comfort and flexibility
- ▶ In-line volume control and microphone mute switch lets you decide volume intensity and have a side conversation in privacy
- ▶ Can be used with CD/DVD/MP3 players and for IP-based communications via a detachable USB adapter that reveals 2 x 3.5 mm plugs
- ▶ Single-sided cable keeps chin and neck free so you can concentrate on your game
- ▶ Cable wind-up clip keeps excess cable wire - between headphones and adapter - out of the way when you play
