

BACKBEAT GO 2

Unleash your music and GO

Stay connected, not corded.
Designed to seal in the bass and
block out the noise, you'll quickly
lose yourself in the soundtrack of
your day.

Wireless Earbuds

BACKBEAT GO 2

STAY CONNECTED, NOT CORDED.

Designed to seal in the bass and block out the noise, you'll quickly lose yourself in the soundtrack of your day. Whether you're working out or swaying to the beat, the military-grade moisture resistance protects against sweat or a coffee spill. If you tuck it away and forget to turn it off, the DeepSleep™ hibernation mode keeps earbuds charged and ready to use for up to six months. Unleash your music and GO.

KEY FEATURES

- The P2i military-grade nano-coating protects against sweat, moisture, and spills
- Compact design easily slips into your pocket and tangle free cable keeps things simple
- Enjoy your favourite music or movie with up to 4.5 hours of listening and 5 hours of talk time
- DeepSleep mode puts buds into hibernation when away from the phone, extending battery readiness up to six months
- Three sizes of cushioned eartips and stabilizers make the fit custom and comfortable for active use and all day wearing
- Inline controls make it easy to take calls, skip tracks, and adjust volume
- Bluetooth® technology lets you connect to your smartphone or tablet for music, movies, videos and calls
- Headset battery meter automatically shows onscreen for iPhone and iPad
- Charge your earbuds and phone simultaneously with the 2-in-1 USB charging cable.
