

Entry Level Long Range Two Way Radio

License Required - Not included - available to purchase seperately

Key Features

- Simple controls and voice annunciation make operation intuitive.
- High capacity (1800 mAh) Li-ION rechargeable battery pack - provides over 24 hours use between charges.
- Loud (750mW) and clear audio ensures reliable communication.
- Tough and durable to survive everyday use - thanks to a polycarbonate casing and aluminum chassis.
- Pre-programmed with 16 user-selectable channels.
- Pre-set for use with an Ofcom Simple UK License (Not included)
- Desktop intelligent fast charger - recharges the battery in just 4 hours.
- Built-in VOX function, with adjustable sensitivity, for hands-free use
- Sleek and slim, ergonomic design - very comfortable to carry and use.
- Weatherproof construction and sealed casing protects the radio from dust and rain (IP55).
- Motorola compatible, two-pin accessory jack for the widest choice of audio accessories.
- Two configurable dual-function side buttons to activate a range of additional features or customize operation.
- Extensive range of additional accessories - including headsets, microphones, carry cases, car chargers, programming kits and more - enhance operation and suit your own operating requirements.

About the Entry Level Long Range Two Way Radio

This simple-to-use, highly affordable, two-way radio is the perfect communication tool for organisations of almost any type. Coupling the convenience of a compact, rugged and functional design with the features and high performance of a quality licensed business radio, the Entry Level Radio has been designed to meet the needs of a very wide group of users and deliver a superior price/performance ratio

Simple & Reliable

The Entry Level Radio is simplicity itself to operate thanks to it's ergonomic design, loud and clear audio and impressive communication range. The robust, high quality sealed casing keeps it operating in a wide range of tough workplace environments. When your users, workplace or application have specialist requirements, the Entry Level Radio is supported by a wide range of quality accessories

Why choose the Entry Level Radio? The Entry Level Radio should be the first choice for any radio user or organisation seeking a reliable, high quality, simple to use, business grade licensed radio.
